Dear Residents of Allied Gardens and Grantville,

It has recently come to our attention that at least one resident of Allied Gardens has received a letter claiming to be from the "Allied Gardens Community Council Code Enforcement Inspector".

The Allied Gardens Community Council (AGCC) has no knowledge of who is sending these letters and they are NOT from the AGCC.

If you receive a letter similar to the one below, please contact us through the "Contact Us" form on our website; as it may help us determine who is sending these letters.

Thank you for your cooperation and continuing support!

The Board Members of the Allied Gardens Community Council

July 27th, 2010

To: Homeowner

Address Removed

From: **The Allied Gardens Community Council Code enforcement Inspector**

Dear ~~Sir or Madam~~:

It has been observed that you are using your drive way for the storage of debris and refuse containers. This is a violation of a city ordinance. To avoid more formal action this matter should be given your immediate attention.

As a resident of this community, good neighborly policy and common respect for other property owners would suggest that you not have to be reminded of such violations in the future.

You are respectfully invited to attend the Allied Community Forums scheduled at 7: PM on the 4th Tuesday of each month at the Ascension Lutheran Church, 5106 Zion Av. and lend your support to the enhancement of our neighborhood.

Allied Gardens Code Enforcement Inspector
